

INFANT AND CHILD CAR SEAT SAFETY DAY

SEPTEMBER 18TH , 2026
08:00 AM - 01:00 PM

Schedule your car seat safety check! Make sure your child's car seat is installed properly- it takes about 30 minutes. Certified car seat safety technicians from the Plymouth Fire Department will be on-site to inspect your seat, help with proper installation, and share important tips for keeping your child safe on the road.

Can't make it to this event? No problem! You can schedule an appointment with the Plymouth Fire Department at a time that works for you. They can be reached at the non-emergency number: **603-536-1253**

Correctly used
child safety seats
can reduce the
risk of death
by as much as
71 percent.
